2 Year Advanced Physics Program for JEE-Advanced-2024.

- We are happy to announce our 2 Year Training Program in *Advanced Physics for IIT-JEE 2024*, for students **entering XIth standard in June-2022**.
- This program is designed to cater to the needs of a **self-motivated** student who has a **genuine interest in Physics** and is seriously preparing for competitive exams like JEE (Main & Advanced), KVPY and Olympiads like INPhO, APhO, IPhO...
- **We assume that the above mentioned student would have enrolled in some good coaching institute and is still looking for further higher level, deeply conceptual & rigorously analytical, problem-solving approach for mastering Physics.**

- For our own foundation batch students the course will start from early **June-2022**. For external students we will run a Bridge-course from mid **April-2022**.
- This course will be conducted as a classroom course at our FC Road premises. It may be conducted **online (live & interactive)** depending on the situation at that time.
- **Batch Days :- Tuesdays & Thursdays.**
- **Timings : 06:00PM to 09:00PM**

- The syllabus of the course would be completed by around end of November 2023. The time after that will be utilized for full-syllabus tests & some revision lectures.
- Each lecture will typically have in-depth theoretical treatment for the ongoing topic followed by rigorous problem-solving & discussion sessions.
- Printed/Xeroxed assignment sheets will be given to the students as per the topic flow. Some reference books will be recommended, to be bought by the student.
- Regular tests will be held to monitor the performance/progress of the batch. Results of such tests will be put on our website for parents to view it.
- Periodic parents meeting will be held to keep everyone updated about the course progress & any other relevant issues at that time.

- The course fee will be **115,000/- (+ applicable GST)** for the **entire 2 year** duration i.e. from **May-2022 to May-2024**.
- First Installment of **76,700/- (Fee 65,000/- + GST)** has to be paid at the time of admission and the remaining by a post-dated cheque of **31-December-2022**.
- Interested students will have to clear a **well-designed** screening test to get admission to the batch. These tests will be conducted in groups of 8/10 students.
- To **register** for the **screening test** you just need to **send a text/whatsApp message to 9822793601** with student's name, school & **current** standard.
